Note to the Guidebook »A Family Hobby - Model Railway«, Ref. 71905

Unfortunately, in the meantime different products that we listed in our Guidebook »A Family Hobby - Model Railway« no longer available in the huge NOCH range.

However, in order to help you to build a similar layout, we have made a list of possible replacement items.

If one of these items is no longer available, please replace it by an alternative product from our huge range presented in our current catalogue or on our website www.noch.com.

We ask for your understanding.
